VOLUME XXXIV | ALBANY, CALIFORNIA | Wednesday, Nov. 13, 1968 | 150 | NUMBER 10

LIONS celebrated their 25th anniversary in grand style Saturday night with a party at the Orinda Willows. Charter President Glenn French came about 300 miles from his trailer in the mountains to be with the gang, remarked that he was the only one of the original group which gathered to form the club in 1943. Three new members were initiated, Kenneth Berner, Elliott Hayes and Raymond Young. President J. Henry Kruse, who is blind, amazed everyone as he introduced guests, "read" a telegram of congratulations and acknowledged by name members of the audience who wished to speak. He's really quite a guy.

SIX OR SEVEN houses on Madonic were plunged in darkness about dinner time the other evening when something went wrong with the new underground cable. During the four-hour blackout, residents were outside blessing the PG&E crews, who arrived within 10 minutes. Nobody was angry . . . they just thought it was funny. One lady said they finally put her back in service with a long extension cord.

SOROPTIMISTS are selling their $1 cans of mixed nuts and candy for Thanksgiving and "extra" Christmas gifts and Girl Scouts have their supply of 1969 calendars. If you need nuts, candy or calendars, call our house. With three Scouts and one Soroptimist under the same roof, we need the business.

OLIVA BLACK, owner of Jessie's cafe, is a surgical patient at Herrick hospital.

LUCKY CASSELLA of the R&L Tavern is home following surgery.

ALBANY LIONS have set Jan. 4 as the date for their second annual crab feed.

ANY OF YOU nice ladies around Albany interested in working with Girl Scouts? They need leaders for Brownies at Marin and Vista schools, would form a Brownie troop at MacGregor if a leader or leaders could be found, and the Cadettes (seventh through ninth graders) are in need of a permanent leader. Anyone who could help is urged to call Marge Keck, Albany Neighborhood chairman, at 525-7462.

TED HUTT, who is employed by the Public Works department, is a medical patient in Richmond hospital.

THE TRAGIC death of Pat Manuel in the motorcycle-car accident on Marin last week was especially sad for the Dan Moody family on Pierce. Pat was Elaine's boyfriend and a steady visitor at their home. Minutes before his death, he had talked to Elaine by phone and literally seconds before his death, he had waved to her father, who was en route east on Marin to go to work.

Fifth Annual Frank Knapp Night This Saturday

The fifth annual Frank Knapp-Post 292, American Legion, Rehabilitation Day will be observed at the Albany Veterans' Memorial Building Saturday evening, Nov. 16, starting at 6 p.m., when ladies of Auxiliary unit 292 will start to serve the dinner for which the patrons will contribute $2 per person.

The Auxiliary who will serve will be "tipless" waitresses and the crew will serve until 9 p.m., after which entertainment to suit the most fastidious will be in order until 1 a.m. There will be no admission charge for all who participate in this gala evening as everyone will be issued a guest card at the door which will entitle him to take a part in this social event of the season in Albany.

The object of the Frank Knapp-Post 292 Rehabilitation Day is to continue the Albany post 292 and Auxiliary unit 292 veterans hospital patient welfare programs and veterans welfare work, in keeping with the original concept of the first sponsors, Mr. and Mrs. Knapp, who gave gross receipts of their business establishment to the post and auxiliary for hospital patients welfare work, with the stipulation dollars realized must be expended within the year. Both organizations have augmented the funds given by the Knapps to do services to veterans and their families which did not meet the first and original concept of Frank Knapp-Post 292 welfare program.

The general chairman for the Nov. 16 day is Alvin Willis, vice chairwoman is Mrs. Maude Talmadge. Commander Robert Spomer made every officer and member of the Post 292 a committeeman and Mrs. Talmadge, president of the auxiliary, duplicated the action with the ladies.

Note of Thanks

We wish to comend the Albany Police and Fire Departments for their quick response to our call for help Sunday, saving the life of Ken's father who was stricken at the dinner table. Our particular thanks to Police Officer George Phillips, who was so kind and concerned. The doctor said the fact that Mr. Lettrich received oxygen within three minutes saved his life. We feel lucky to live in Albany.

Methodists Plan Thanksgiving For Those Alone

Where will you eat Thanksgiving dinner?

If you will be alone on Thanksgiving Day why not have Thanksgiving dinner the night before at Albany United Methodist Church for just $1.

United Methodists in Albany are aware that many people will have no one with whom to share Thanksgiving. So they have decided to offer turkey dinner with all the trimmings at a price that will just cover costs of food.

The dinner will be the night before Thanksgiving, Wednesday, Nov. 27, beginning promptly at 6:30 p.m. Everyone is invited regardless of religious affiliation or race. The dinner will be by reservation only because seating is limited.

All you have to do is send $1 for the number of reservations you need, along with your name, address and telephone, to Albany United Methodist Church, 980 Stannage, Albany, Calif. 94706. Be sure to mark it "Thanksgiving Dinner."

ENTHUSIASM GROWING FOR 'YULE POOL'

"Overseas Yule Pool," sponsored by the Albany Chamber of Commerce with the objective of sending every Albany serviceman overseas a Christmas box, is gaining in momentum that promises overwhelming success.

Gift items are being delivered to the Chamber of Commerce that show imagination and thoughtful buying, along with the popular favorites that the servicemen are always delighted to receive. New ideas that have been delivered in bags are vacuum packed cans of shoestring potatoes ,small puzzle books, frosted gingerbread people, miniature boxes of raisins, small plastic boxes with stamps in them (what a boon for the boys in the humid jungles), and colorful cans of candies.

Helping to generate enthusiasm is the colorful window at the Chamber of Commerce with the Christmas tree surrounded with gift ideas.

The Chamber of Commerce is staying open during the month of November, Monday through Friday, 9 a.m. to 4 p.m., so that the residents of Albany can bring in gift items. The Chamber reminds each donor to bring a gift card with his name and address on it to accompany his gift, no matter how small the gift. The whole object of "Overseas Yule Pool" is Albany's way of saying to each Albany serviceman overseas that the "old home town" misses him and wishes he could be home for Christmas.

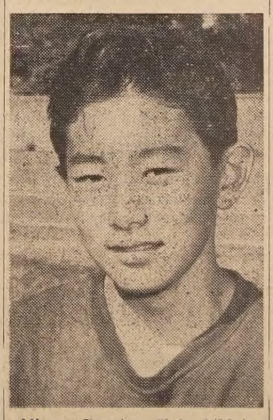

If you want to participate in "Overseas Yule Pool," just stop in at your favorite store in Albany and pick up a small gift for one of the gift boxes and leave it, with your greeting card, at the Chamber of Commerce office, 1108 Solano Ave.

Servicemen's Addresses Wanted

If you haven't sent the name of your son or husband serving an overseas tour to the Albany Chamber of Commerce or the Albany Times—please do so.

The Chamber of Commerce, sponsors of "Overseas Yule Pool," doesn't want to miss sending a gift box of goodies to any Albany serviceman spending Christmas outside the continental United States.

Council Agenda For Last Night

Albany City Council met last night because of the Veterans Day holiday Monday.

Several communications complained about dogs and a petition was presented requesting a leash law.

William Johnson of the Planning and Zoning commission recommended a process to select an architect for waterfront development. Administrative Officer James B. Turner had letters on the agenda regarding advertising for bids on traffic signals at Buchanan and Jackson and awarding of the contract for widening and reconstruction of Masonic Avenue.

Council was to act on the examination of accounts and records for 1967-68 by D.A. Sargent Co., and on a recommendation from City Attorney Larry Saler regarding transfer of vehicular equipment in the event it is required for civil defense.

Four resolutions were on the agenda.

Cougar Frosh EBAL Champs

Albany Freshmen made football history last week when they defeated a previously unscored upon Amador team to win the EBAL championship with a score of 14-7, capping an unbeaten, untied season.

The Amador Dons showed their strength early in the first quarter when they started the scoring with 7 points of their own. The Cougars quickly retaliated with a touchdown by Len Patterson. After stopping the Dons on the next series of plays, the Cougars went ahead for good on a 70 yard Len Patterson to Shawn Ridley scoring pass.

Thereafte, the game was a defensive struggle in which Rich Flores took charge. Rich seemed to be in the Amador backfield all afternoon as he made tackle after tackle with assists on others from Bill Wightman, Len Patterson and Shawn Ridley.

Final Frosh statistics for the season show 13 touchdowns for Shawn Ridley and an equal number of touchdown passes thrown by Len Patterson.

Note of Thanks

To all the wonderful people who responded to my request for funds for Berkeley Humane to help care for the group of neglected animals, my sincere thanks.

Albany is a great little town—if you need help, the people are right there. We are amazed at the number and amounts of contributions.

Cancer Education Week will have as its goal the saving of lives now needlessly lost to uterine cancer, Dr. Schweitzer stated.

"By means of a simple, painless procedure called the "Pap" test, uterine cancer can often be discovered before there are any symptoms," Dr. Schweitzer explained. "At such an early stage, the cancer is almost 100 per cent curable."

In spite of this, it is estimated that approximately 14,000 women will die of uterine cancer in the United States this year.

Anyone interested in further information may call the Society's office, 832-7012. Free literature on uterine cancer and on other forms of the disease is available from the office, which is located at 477 15th Street, Oakland 94612.

Go jump in the lake.
Or fish in it.
Or water-ski on it.
Or camp beside it.
Our lakes provide the water power to make electricity for you.
But if a by-product of our facilities can supply you with some enjoyment, we're happy to have you use it, too. Like Lake Spaulding (below), near Donner Summit.
All of our 145 PG&E-made lakes are open to everyone whenever operations permit. And we've built nearly 600 sites for picnicking, camping or just plain resting.
They're all for your enjoyment. It gives us a good feeling to know that when you aren't enjoying our power while away on vacation, you may be enjoying one of its sources.

ALAN S. HART PRAISES NTERAGENCY COUNCIL

an S. Hart, district engineer e Division of Highways, com- ted the Inter-Agency Council, nated in Albany through the rts of Mayor Richard Clark Administrative Officer James urner, in a speech before the reda County Mayors' Confer- last Wednesday night in ark.

said the council, composed representatives of various and levels of government he area, gets together to dis- freeway routings and pre- its findings to the Highway rission, which has been very ul.

orge Silliman, director of Area Rapid Transit district, ted 20 miles of track will mpleted soon and although bids for rolling stock have been out for a year, the district has not called for bids because of lack of money, a $144 million short- age. He said they will be re- ceiving $28 million from the fed- eral government and the staff thinks it should go for rolling stock. It will be 26 months from the time the order is given until they have trains and this will be followed by a "period of shake- down," Silliman said, because "nothing like this has ever been built in the U.S."

Silliman said if money is re- ceived from the legislature in January, the district would call for bids immediately. He esti- mated the actual shortage by the first of the year will be $146 mil- lion.

Mayors formed a 10-city com- mittee to study a proposal by Bay Conservation and Development commission, as reported by Her- bert G. Crowle, county Public Works director. He said BCDC wants jurisdiction over property from 300 to 1,000 feet in- land, including such areas as Berkeley's Aquatic Park and Lake Merritt. Jurisdiction would be given to the organization which succeeds BCDC if the pro- posal is approved by the state legislature.

Crowle said there should be alternatives ready for presenta- tion and that each entity should draw its own lines on a map of the bay and should have an idea of how to approach this proposed jurisdiction.

Mayor's Conference Chairman Jack Smith of Hayward increased an existing committee headed by Oakland Mayor John Reading to include all cities with frontage on the shoreline.

PRESIDENT

The Academy of California Op- tometrists selected new officers for the coming year at their re- cent meeting at the Sea Wolf res- taurant in Oakland. Dr. T. B. Christensen of Berkeley was elected president, and Dr. A. W. Oakley of Oakland was elected secretary-treasurer.

Vietnam Talk At High 12

Major O'Hara

Albany High 12 Club will hold its weekly luncheon Friday, Nov. 15, at Kirby's in El Cerrito Plaza. The speaker, who served in Viet- nam, has an exceptionally inter- esting report on "News Behind the News" as seen by a combat soldier.

Major Thomas C. O'Hara is a military police officer presently assigned to the 6th Military Po- lice Group at the Presidio of San Francisco as Group Operations Officer.

He returned last July from Vietnam, where he was assigned as the Provost Marshal of Bien Hoa and as Assistant Operations Officer of the 18th Military Po- lice Brigade at Long Binh. Dur- ing the year he spent in Vietnam, Major O'Hara was decorated with the Legion of Merit, the Air Med- al, and the Army Commendation Medal.

A native of Spokane, Wash, Major O'Hara earned his college degree in Police Science and Ad- ministration at Washington State University, where he received his commission through the ROTC.

Panel Discussion For AHS PTA

"Significance of Social Studies in Today's World" is the subject of Albany High school's next PTA meeting. It will be held in the high school cafeteria at 7:30 p.m. on Thursday, Nov. 14.

A panel consisting of the social studies instructors at Albany High school will go over the ob- jectives and content of the indi- vidual courses. Lester Brolliar, chairman of the Social Studies de- partment, and the instructors, Charles Clarke, Harold Kushins, Allan Morgan, Michael Hoffman and Michael Scullion, will partic- ipate in the panel discussion.

Harry J. Price, principal of Al- bany High school, said, "The so- cial sciences may well be the most important subjects taught at the high school. The approach the school takes in regard to the social problems of our day such as war and peace, integration and segregation, social order and disorder is of paramount import- ance to the very survival of our society."

It is hoped many parents will attend. There will be ample op- portunity for questions.

Mrs. Arnold Pope, program chairman, and Mrs. James Rob- bins, PTA president, plan to have refreshments served during the meeting, rather than at the close of the meeting. Serving will be the 11th grade representatives: Mesdames Robert Bega, Gene Boettger, Jack Simmons, Lawr- ence Saler, Nicanor Mamaril and John Knight.

Cub Pack 3 Pancake Breakfast Nov. 23

Pancakes, ham, juice, coffee and milk will be served. Adult tickets are $1; children, 50 cents.

When the Cubs call at Albany homes, residents are asked to buy sufficient tickets for the entire family. Tickets also will be avail- able at the door.

IOOF

Berkeley lodge 270, Independent Order of Odd Fellows, will meet on Thursday, Nov. 14, at 8 p.m. in the Berkeley Odd Fellows' Temple, 2288 Fulton St. Noble Grand Albert P. Brewer will pre- side.

Gerald graduated from St. Mary's High, later attending Contra Costa college and pres- ently working for the Univers- ity of California. PATRICK BLEUEL FIRST '68 TRAFFIC FATALITY

Albany's first traffic fatality for 1968 came with the death early Thursday of Patrick Ken- neth Bleuel, 20, of 1465 Grove, Berkeley.

The young man died in Herrick hospital of massive head injuries suffered when his motorcycle struck a car on Marin at Curtis, hurling him 36 feet in the air. The accident happened at 3:46 p.m. Tuesday.

Driver of the car was Rene Kaldunski, 47, of 1502 Sonoma. She had stopped at the stop sign while driving north on Curtis across Marin. It is believed the sun in his eyes may have pre- vented the cyclist from seeing the car, which he struck on the right rear door.

According to police, the victim was not wearing a crash helmet, but a member of the department said the accident possibly would have been fatal even if he had.

Funeral services were held yes- terday for young Bleuel, who was in surgery four hours at Herrick hospital after being rushed there by Albany police ambulance. He was employed by Alta Bates hos- pital and had been attending night school.

Albany police investigating the accident were Sgt. James McLeod and Officers Paul Seifert, Ber- nard Johnson and Jim Simmons.

Parents Wanted

Parents and friends of Albany High school music students, join the Band Boosters. This club was organized to assist in raising funds for the music department.

The big money raiser each year is the Fish Fry, which is held in February. This is something the whole community enjoys. We are going to start making plans for this big event on Monday, Nov. 18, at 7:30 p.m. in the band room of Albany High school.

We want and need all the help we can get. Please try to attend the next Band Boosters meeting.

Off The Market!

Note to Advertising Manager, Albany Times: Dear Norm: Please cancel ad that read, "Spacious white house, 120 rooms, 10 bathrooms, electric kitchen, rumpus room, ballroom, swimming pool, beautiful grounds. Looks like new even if 156 years old (rebuilt after serious fire caused by British brigands.) New wing added in 1948—elegant accomodations for large family. Must lease for four years."
We had 3 prospective tenants that wanted it badly, but our owners took some 60 days to screen them and finally leased it to a former nearby tenant, for four years. He promised to maintain the grounds, limit pets to no more than 2 beagles, and he put up the usual security deposit to guarantee against damage. He also made many promises to the owner during lease negotiations and the owner just might consider a lease renewal in four years, if he is a good tenant. This listing took a lot of time, and we're glad it's off the market so we can get back to our regular home sales. P.S. We think the owner chose the right tenant.

An almost capacity crowd was present for the meeting Nov. 7. Several visitors attended plus some old members who had not been present for some time. It's always good to see old familiar faces again.

Members are asked to contribute articles to be sent to the boys overseas for Christmas. A box will be provided for this purpose at the Center and in order to be on time, Thursday, Nov. 14, is the deadline.

Articles suggested and acceptable are: presweetened Koolade, Life Savers, razor blades, soap, small tubes of toothpaste and shaving cream, pocket combs, automatic pencils and small packets of writing paper. Let us all contribute something for it is a small service we can do for them after all they are doing for us.

The Mail Bag

Editor, the Times:

A group of us in Albany have just finished writing letters to the City Council about the dog problem we have. We would like to urge anyone else who has "problems" with dogs to do the same. Maybe then Albany could get a leash law.

If not then we insist that more power be given to our Animal Control Officer before any more children are bitten and more yards destroyed.

Mr. and Mrs. A. Oliver
Mr. and Mrs. O. Santos

Mr. and Mrs. Frank Bisette

Editor, the Times:

Some of us on Santa Fe Avenue are really worn out and disgusted and having to clean after stray dogs who visit our lawns and flower beds and leave their filthy deposits one or two times a week, usually at night. If I am not able to remove this at once, it is soon covered with a swarm of blow flies. It seems to me this could be classed a health hazard. And even if the dogs do no physical damage to our property, it damages my pride to have to be a housemaid or cleaning woman to clean after these dogs.

It seems to us we should have some ordinance that would allow a police officer or the animal control officer to issue a citation to people who allow their dogs to roam the streets and use our yards for their dumping grounds.

I hope to hear of more people who will stand up and be counted on this appeal. Or, if they have a better opinion or suggestion, to please write in about it.

Vietnamese Children Topic for Soroptimists

Program Chairman Antoinette Stallone will present David Roth of the Committee of Responsibility Inc., as speaker for the Soroptimist Club of Albany at Serb's at noon today.

Roth will discuss the work of the organization, which brings war-injured and burned Vietnamese children to this country for medical treatment.

With headquarters at 432 Mason St. in San Francisco, COR has 52 children here for solutions to their medical and non-medical problems. Vietnamese waifs, according to Time magazine, have blossomed in the U.S., lapping up ice cream, ham and eggs and "everything but the trays," mastering checkers and pool, staking claims to teddy bears and crashing through the language barrier to become avid television fans.

The problem of caring for the tiny "human disasters" has left COR with overwhelming needs: money, foster homes, office staff, fund raisers, publicity people, photographers, teachers (five paraplegics need special training at this time), speakers, and people to distribute literature.

Roth will show a film and answer questions. Visitors are welcome. Call Miss Stallone at 524-0113 to make reservations.

School Volunteers Needed to Tell Of Other Lands

Do you know about a special subject? Do you know about painting or ceramics?

The Albany schools volunteer resource committee has many unfilled requests for help in the arts and crafts.

Special knowledge of the world about us is needed. Can you tell our students how the people of other countries eat, sleep and read or play? The world is so interesting. Help children in the schools by letting us know.

Call the Albany Schools Resource Volunteers at 526-6441 for a form.

Varsity Squad Ends Season

Albany High school Varsity football team lost to Amador Friday night, 40-0. Amador is the 1968 EBAL champion and was spearheaded by the largest line in the league, featuring two 235 pound tackles. In addition, before the game the Amador coach boasted that he would run the score up as high as he could.

The smaller courageous Cougars played a tremendous game against overwhelming odds. The fight was much closer than the figures indicate, since three of the Amador touchdowns were set up by Cougars errors, fumbles and blocked punts.

Playing his last game and his best for the Albany High Varsity was Steve Valenzuela. Also ending their football careers in high school with honor were Rich Goforth and Marc Granko. Delighting the local fans with fine defensive plays and many crunching tackles were Steve Eggert and Peter Heymans.

The entire Varsity team and coaching staff were victims of a massive "kidnap plot" around dawn on the Saturday after the game and were spirited away to the home of Pam Morley, where they were feted to a sumptuous pancake breakfast. No charges were filed against the cheerleaders and pom-pon girls who masterminded the daring raids, but the players and coaches expressed their concern and disappointment about the season and were especially grateful the girls had been able to go so much spirit and enthu for them in spite of their season. The cheerleaders pom-pon girls were acclaim the greatest bunch ever.
